Said it happened last night about ten to eleven when I first laid eyes on you,
 Standing in line into Club Triple 7, it was just like heaven and a dream come true,

Pre-Chorus

We're standing at the right place at the right time,
 When you, this ehu girl, caused a crime.

Chorus

You're my pretty little ehu girl who made me a fool in love,
 Got my heart all in a whirl and now it needs cooling off,
 You set my heart on fire... and now I don't know what to do,
 You set my heart on fire... and now I'm so in love with you my ehu girl.

Repeat Intro

Verse 2

Said I'm feeling it now, something I've never felt, my hearts so hot I think I'm gonna melt
 Somehow, I want to see you again, my love, sent from above.

Pre-Chorus

And beautiful girls yes I've seen a few,
 but out of all the beauty in the world there's no one quite like you.

Repeat Chorus, Intro

The way your ehu hair floats in the air,
 The way your shining eyes reflect the sky,
 The way your smile burns up my flame,
